Change Management

Change Can Be Good

If you're looking for a humorous meeting opener that will help people within your organizations introduce a new policy, plan, team, or equipment, check out the Stapler Guy. It will help alleviate the stress that often accompanies change. 3 Minutes

List Price: \$75 • Clearance Price: \$54

Jennifer James & Survival Skills

In this program, Jennifer James teaches the skills that you and your organization need to succeed. You'll get an opportunity to understand what influences and affects your world and organization today. Learn how to use perspective, energy and safety to think one step ahead. 22 Minutes

List Price: \$255 • Clearance Price: \$129

Ellie Mae & Tom Peters

The Ellie Mae story is a revolutionary example of how a company can respond to new challenges. It shows that change can work – and that it can have a lasting, positive impact. 7 Minutes

List Price: \$260 • Clearance Price: \$149

When Change Happens...

Sam Glenn uses funny anecdotal stories and a simple formula to help you deal with change. You'll develop tools for overcoming changes, unexpected challenges, and negative people. 22 Minutes

List Price: \$665 • Clearance Price: \$475

Conflict Management

Unlocking Conflict!

Need the keys to unlock conflict in your organization? This program offers entertaining tools to handle conflict, from positive reinforcement to some new creative ideas for helping solve conflict issues in the workplace. 3 Minutes

List Price: \$395 • Clearance Price: \$139

Counselling Skills

Can You Spare A Moment? Revised

John Cleese stars in this light-hearted program. Using the four stages of a structured approach to counseling, he shows that even the most delicate situation can be overcome when using appropriate counseling techniques. 25 Minutes

List Price: \$1099 • Clearance Price: \$695

Featured Program: Consciously Overcoming Unconscious Bias

Consciously Overcoming Unconscious Bias is a conversational, easy-to-use program that shows how unconscious bias, micro-inequities, and micro-affirmations overlap in the workplace. It presents all three of these timely topics together, so they're simple to understand.

We all have prejudices we may not even be aware of! This program encourages employees to think about that, and to take small steps—micro-affirmations—toward a happier, healthier workplace. **Best Seller!**

List Price: \$530 • Clearance Price: \$375

Customer Service

The Container Store & Tom Peters

Would you like your organization to be among the best? How can you do it? With careful hiring, constant communication, lots of training, and hard work. Watch as these the key elements are demonstrated in The Container Store with Tom Peters. 7 Minutes

List Price: \$260 • Clearance Price: \$149

The First Mile

While customer service training often focuses on "going the extra mile" for the customer, this film demonstrates that it's not enough to go the extra mile if you haven't gone the "first mile" first! Humorous and engaging this film emphasizes the essential art of customer service. 15 Minutes

List Price: \$1325 • Clearance Price: \$695

Jordan's Furniture & Tom Peters

Tom Peters has been a passionate advocate of great customer service for over three decades. But as Tom now says, being great at customer service is no longer good enough. You need to give the customer a great experience. Watch and see how Jordan's Furniture makes every aspect of shopping fun and different. 6 Minutes

List Price: \$260 • Clearance Price: \$149

Life's Lessons: Customer Service

This program presents common and not-so-common conventional wisdom about the basics of customer service. Help your organization remember the basics and embrace a positive attitude about assisting each other and others! 3 Minutes
